COURSE OVERVIEW

Considering a Free TAFE course - [contact us for a fee comparison!](#) This qualification reflects the role of an enrolled nurse working under supervision of a registered nurse. This qualification covers the application of skills and knowledge required to provide nursing care for people across the health sector. To assist you in completing these, please click on [English Language Skills Evidence Flowchart](#) and [English Language Skills Evidence Form](#) to be guided. If you are in **Category C** and required to undertake an external Government approved English Language Assessment, we have provided links to these for you: IELTS academic module International English Language Testing System <https://www.examenglish.com/IELTS/index.html> OET Occupational English Test <https://www.occupationalenglishtest.org/professions/nursing/> PTE Academic Pearson Test of English Academic https://www.examenglish.com/PTE/PTE_Academic.htm TOEFL iBT Test of English as a Foreign Language internet-based test <https://www.examenglish.com/TOEFL/index.php> A graduate from a Diploma of Nursing program approved by the Nursing and Midwifery Board of Australia (NMBA) is able to apply for registration with the NMBA as an enrolled nurse. Further information on registration is available at www.nursingmidwiferyboard.gov.au

ENTRY CRITERIA

Must be 18 years of age or older

Must be an Australian Citizen (or hold a visa which allows study in Australia)

All applicants have to attend a pre-course information session and complete the pre-course assessment to a satisfactory level. These must occur face to face, are free of charge and the applicant must complete all sections of the assessment. Information sessions are held on site at Mayfield Education Hawthorn campus

The pre-course assessment focuses on the following:

- English language, literacy and numeracy
- Computer skills
- Verbal expression, articulation and comprehension.

This assessment acquaints the applicant with the work entailed in Enrolled Nursing and the level of difficulty of the course.

Prior to submission of application please read the English language skills requirements as outlined by the Australian Health Practitioner Regulation Agency (AHPRA). Click [here](#) to be redirected to AHPRA website

DELIVERY

Delivery is undertaken on 2 face to face days/week.

For work placement of 400 hours in total, students are required to attend a health care facility Monday to Friday. These placements may be 1 or 2 weeks in duration. Early shifts (around 7 am) and late shifts (completing around 10 pm) are required. Placements are not run on night shift, weekends or public holidays.

Students attend placement in small groups accompanied by a clinical teacher at all times. Students are not paid for placement and this is organised by Mayfield Education. In order to participate in work placements, students are required to provide current police check and immunisation records. For more information, please contact [Clinical Placement Coordinator](#)

DATE

Intake 1, 2020: commencing 10 February 2020 (Monday)

Mayfield Education

Diploma of Nursing - HLT54115

Classes are undertaken 2 face to face days/week (Mondays & Tuesdays) thereafter.

Application Closing Date

2 weeks before Commencement Day.

Late applications will be considered

ASSESSMENT

Assessments take a variety of forms.

Students are assessed against specific performance criteria for each unit of study in a variety of ways. Journal Writing, Case Studies, Group Presentation, Assignments, Role Play, On-line Learning, self-paced learning packages and short answer/multi-choice questions. You are required to successfully complete all theoretical and clinical components.

AWARD

Graduates receive a Nationally Recognised Certificate; the units of which can be utilised for other courses.

Graduates are eligible to apply for Registration with the Australian Health Professionals Registration Authority AHPRA; as an Enrolled Nurse.

LEARNING PATHWAY

Some course credit is offered to Diploma nurses upon entry to a Registered Nurse nursing course (Bachelor). Some of the units completed assist in the upgrade courses leading to Advanced Diploma.
